Santa Rosa County is December 2016 **-Orange with ice wins a spot in FAC calendar-**

Santa Rosa County is featured in the Florida Association of Counties 2016 Calendar: Awesome Weather. The calendar theme was chosen by FAC members in the month of July and a photo submission contest was held in the month of August. Santa Rosa's featured photo was taken by Cheryl Powell and shows an orange covered with ice.

Over the summer, FAC members were asked to choose a theme for the 2016 FAC Calendar. The vote was overwhelmingly for Awesome Weather. Following the selection of a theme, Florida's 67 counties were asked to submit their best photos of the awesome weather in their county – more than 400 photos were submitted. From the submissions fifteen were selected for the 2016 FAC Calendar.

The fifteen photos chosen to represent fifteen different counties and the great variety of awesome weather we see in Florida every day. They include:
